REVISED SERVICE LIST OF PARTIES TO EXCHANGE INFORMATION AND REVISED STATE WATER BOARD STAFF EXHIBIT LIST: WATER RIGHT HEARING ON SANTA ANA RIVER WATER RIGHT APPLICATIONS AND WASTEWATER CHANGE PETITION

Enclosed is a revised Service List for the Santa Ana River Water Right Hearing. There are two changes to this list: (1) the addition of Susan Wilson, Deputy City Attorney, the City of Riverside, to the list of Parties to Exchange Information, and (2) the addition of Chandra Ferrari, the Department of Fish & Game, under the heading "Participants Making Policy Statements Only". As indicated in my March 26, 2007 letter, persons who intend to make policy statements are not required to exchange information and the hearing parties do not need to serve copies of testimony or exhibits on those persons. The hearing is scheduled for May 2, 2007, to be continued as necessary, on May 3 and May 4, 2007.

In addition, the hearing team staff has further considered the exhibits to be offered into evidence by reference listed in the February 16, 2007 Notice of Public Hearing and has deleted certain exhibits and, in some cases, more specifically identified the exhibits. The revised list of exhibits is also enclosed.

The revised list of Staff Exhibits Offered Into Evidence will be posted with all other documents related to this hearing on the "Hearings Program – Santa Ana River Hearing" web site: <http://www.waterrights.ca.gov/Hearings/SantaAnaRiver.html>

If you have any questions, please call me at (916) 341-5349 or email me at jfarwell@waterboards.ca.gov
